WELCOME BRIGHTER DAYS 2017

#RAISEYOURWRISTBDF17

Hello to all Brighter Days Festival supporters,

Well another crazy year has passed since our last festival which I'm sure you all agree was a huge success and now the 2017 Brighter Days Festival is here again. We can guarantee if you liked last years Brighter Days Festival you're gonna love this years.

Our amazing Brighter Days Festival committee have worked their butts off all year and put together 3 days of family fun and memories you can share with friends for a very long time. Our Brighter Days Festival is focused on a family event that also reflects our passion to raise money and more importantly awareness for our two worthy charities **SUDC** and **DeBRa Australia**

Over the 4 years since we started this Foundation, we haven't had anyone leave, we've only had more people offer their support which is testament to the rewarding feeling we all get from helping people!! In the program you can read about our incredible achievements so far but this year you'll see what we've done and where your generous donations have gone via video presentations on the big screens. And you can say Hi to the representatives of our two charities who along with their families & friends will be here all weekend enjoying the event.

Having all of you amazing Brighter Days Festival supporters help promote this event via good old word of mouth means this year promises to be even bigger than 2016 so this year we have had to make some changes. The Festival precinct of Howitt Park will be temporarily fenced with three entrances to the park for us to monitor patron numbers and sell our **#raiseyourwristBDF17** wristbands. These I SUPPORT BRIGHTER

DAYS wristbands are \$10 each for adults and \$5 for kids and we are going for a raise your wrist record on Sunday night. We encourage everyone to buy a wristband - it equates to less than \$1 for every musical act over the weekend! We are also raffling two Harley-Davidsons and a Kinchrome Tool Kit, so get in early and get your tickets. These are our main fundraising initiatives so we do need your support! Remember this is still a **FREE CHARITY EVENT**, so please let's remind ourselves why we are all here... to raise money for children and families and give them a Brighter Day.

To all our new sponsors who have jumped on board and to our major sponsors **HARLEY-DAVIDSON AUSTRALIA** and **NORTHSIDE HARLEY-DAVIDSON** 'a big thank-you'. To all of the Bright township, we appreciate your support! A big thanks again to our committee, volunteers and equipment suppliers for donating their time, efforts and assets to our festival. And lastly to all Brighter Days Festival supporters who are reading this, thanks for coming to the Brighter Days Festival and for your generous donations.

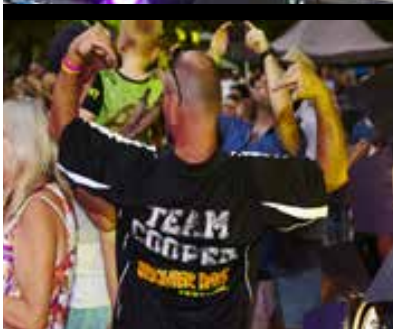

We have an amazing musical lineup this year, I'm sure you'll love it!

On behalf of the BDF committee,
RIDE, DRIVE and PARTY safely,
See you up dancing!

EB sufferers Eliza and Tilly.

HOW IT BEGAN

The **Brighter Days Foundation** was formed in 2012 to offer support to two charities; the **DEBRA Foundation** (Dystrophic Epidermolysis Bullosa Research Association) and **SUDC** (Sudden Unexplained Death In Childhood). Through a friend, whose child had been diagnosed with the debilitating EB disease, the band the **Smokin' O'Briens** played a backyard EB awareness gig where they met sufferers Eliza and Tilly. So touched by the plight of these children, musicians Matt Powell, John Nixon and Steve Dundon decided to do something more to help.

At the same time their bike-riding buddy Jim Henwood's close friends Rob and Kylie Trewin had lost their son Cooper to SUDC whilst another great mate and Bright local Jason Reid was experiencing first hand the trauma of a very sick child.

Collectively the guys wanted to do something that would make a real difference to those suffering. They put their heads together and drew on the significant resources of their wider circle of friends who were also motorcycle and car enthusiasts and so the Brighter Days Foundation began. Now in its fifth year, the committee and some very passionate volunteers have managed to raise more than \$950,000 through donations, raffles, auctions and events.

COOPER TREWIN MEMORIAL SUDC RESEARCH FUND

The Cooper Trewin Memorial SUDC Research Fund was established after the tragic passing of Cooper Trewin on 6 February 2010 aged 16 months and is supporting SIDS and Kids to fund advocacy and Australian research into the cause for sudden and unexplained death in children. "Sudden Unexplained Death In Childhood (SUDC) is the sudden and unexpected death of a child over the age of 12 months, which remains unexplained after a thorough case investigation is conducted." (Krous et al. 2005)

Money raised from Brighter Days has assisted in the development of the Cooper Trewin Brighter Days Neuroimaging Study which is being conducted over the next two years at the Boston Children's Hospital by Dr Hannah Kinney. The study aims to develop a biomarker of subtle hippocampal maldevelopment in asymptomatic toddlers at risk for sudden unexpected death with novel state-of-the-art neuroimaging techniques. www.sudc.org.au

Cooper Trewin

DEBRA FOUNDATION

Epidermolysis Bullosa (EB) is a rare disease whereby the skin blisters and peels at the slightest touch. Living with EB is likened to living with 3rd degree burns and is known as the "worst disease you've never heard of." It is extremely painful, and sufferers must be bandaged with daily dressings which take 2-3 hours to protect and medicate their wounds. Children and Adults are effected in many different ways ranging from mild, moderate to the severest form which often results in premature death. It is estimated that approx. 1,000 people in Australia are effected by EB and occurs in all racial and ethnic groups. It effects males & females equally. Although EB is not always evident at birth, severe cases usually are. Milder EB cases become apparent when a child crawls, walks, runs or become more physically active.

Money raised from Brighter Days has assisted individuals and families all over Australia living with EB. It has provided them with many items including wheel chairs, ramps, specially made clothing, shoes, air conditioners, medical equipment and supplies. Brighter Days has also contributed to the EB Nurse Program which employs dedicated part-time EB nurses in Victoria, Queensland and New South Wales. Debra Australia is a not for profit organisation and does not receive any direct government funding. www.debra.org.au

MENTAL AS ANYTHING

A popular urban myth concerns a group of art students who passed themselves off as a band in order to con the local publican into giving them a gig in exchange for free beer. The deception worked better than intended, and the group came to be known as Mental as Anything. Nearly three decades later, they are still irritating the public with their highly listenable, idiosyncratic brand of garage pop.

A self explanatory single to reflect their success, *The Nips Are Getting Bigger*, rose through the charts and ahead lay a very lengthy pub crawl which only the accomplished could survive. **MENTAL AS ANYTHING** (Reg Mombassa, Greedy Smith, Martin Plaza, Wayne 'Bird' Delisle and Peter O'Doherty).

JOE CAMILLERI AND THE BLACK SORROWS

Joe Camilleri, writer of milestone Australian songs such as *So Young*, *Hit and Run*, *Shape I'm In*, *Hold On To Me*, *Harley and Rose*, *Chained to the Wheel* and *Never Let Me Go*, has given his life to making music in this country. Leader of one of Australia's most successful bands, *The Black Sorrows*.

The Black Sorrows have earned the reputation as a dynamic live act. At the helm, Camilleri steers the band through an energetic interplay of blues, soul, R&B, gospel, country and even Brill Building pop. The latest incarnation of *The Black Sorrows* is – Claude Carranza (guitar/vocals), Mark Gray (bass/vocals), John McAll (keyboards/vocals) and Angus Burchall (drums).

CHOCOLATE STARFISH

Starfish burst on to the charts in 1993 with their classic cover of Carly Simon's *You're So Vain*. A string of hits followed, including *Mountain*, *Four Letter Word* and *Accidentally Cool*. Singer Adam Thompson, an entertaining frontman, lends the music an air of much-needed theatricality and melodrama. If there's an audience, he'll play up to them, if there's a balcony, he'll climb it, if there's energy in the room, he'll milk it. Currently touring with their *Bat Out Of Hell Show*. Adam Thompson – vocals, John "Stones" Nixon – bass, Darren Danielson – drums, Norm Falvo – keys

SCREAMIN' EAGLES

Capturing the spirit of the legendary Eagles live on stage, the Screamin' Eagles line-up includes six vocalists, three guitars, bass, drums and keyboards. You can close your eyes and think you are at an Eagles gig with the incredible harmonies and legendary rock sound. The line-up includes front man and singer/guitarist Steve Dundon, Matt Powell on lead vocals and guitar, John JD Dallimore on lead vocals and guitar, keyboard player and vocalist Norm Falvo, Kevin Murphy on vocals and drums and Lincoln Jones on bass. Screamin' Eagles have played all around Australia entertaining crowds with their stunning vocals and incredible musicianship.

JACUZZI MASTERPIECE

Jacuzzi Masterpiece is Michael Caruana and Aaron Saxon with special guest drummers, Cliff Raux, George Sevanis, Trevor Green & Todd Byrnes. Michael Caruana is the "Funkmeister", with a successful career spanning 4 decades. He has played with some of Australia's well known acts such as The Angels, UnCanny XMen, The Truth, John Butler Trio, Bomba, Mama Kin & Melbourne Ska

Orchestra. Michael's passion has always been all things funk, and is now creating some funky grooves as Jacuzzi Masterpiece. Aaron Saxon is a multi instrumentalist / vocalist, composer who has been performing professionally since the age of eighteen. He has worked extensively in all aspects of the music industry, playing for television, radio, concerts and various albums. He has been described by many as one of the top musicians in his field.

TURKTRESIZE

Turk Tresize is the embodiment of dusty backroads, Australian rock 'n' roll. Turk's music drifts through the best decades of Rock 'n' Roll and takes his listeners on a story-telling trip through time.

Turk has managed to perform music across the globe, operate a successful annual music festival and launch a record label that released his highly-touted debut album, *Soul Casino*. Turk continues to tell his intriguing story in the form of song with his sophomore album, *If It Is to Be*.

MRBLUEZ

Mr Bluez are a five piece blues band from Melbourne. Bringing you a classic blues sound is Mark Turner on lead vocals, Chris Natoli on guitar, Lou Toth on sax, Jeff Buckland on bass and Lorie Strickland on drums. They are currently working on their third album following on from their earlier albums *Live at St Andrews Hotel* and *Time For A Change*.

RAWBRIT

Featuring Mick Pealing (Stars, Ideals, Spaniards) on vocals/guitar, Bob Spencer (Skyhooks/Angels) on guitar/vocals, John Favarro (The Badloves) on bass/vocals and Peter Maslen (Boom Crash Opera) on drums/vocals is a hard rockin' four piece specializing in British rock from the 60's and 70's, names such as Free, Bad Co, Led Zep and Cream fill the repertoire with unforgettable classics. Lately the band have been performing their Classic Album Series where recordings such as Deep Purple's *Machine Head*, Bad Company's first album and recently Status Quo's *12 Gold Bars* have been played in their entirety, these shows also include Scott Griffiths on Keyboards, guitar and vocals. Get your dancing shoes on - the Raw Brit shows are not to be missed.

CATTLETRUCK

Paul Janovskis plays Cattletruck. Ahhhh...the heady 80's ...what they lacked in taste, they made up for with swagger and pretension. It has been 30 odd years since Cattletruck launched into this maelstrom, as an irreverent semi acoustic punkabilly covers outfit who quickly gained notoriety as the enfant terrible's of inner Melbourne music. They would play anywhere, anytime, invited or not! Heck, their first big show was opening for Public Image Limited to a full house at the Pier Hotel, armed only with 2 acoustic guitars and a drummer they'd never played with before! Fearless. and went down a storm. The band went electric, earned a following, developed their songwriting, and performed nationally.

A major record deal, mainstream exposure, a series of well-received singles and an album followed before grinding to a halt in '88. At this 30 year milestone Paul Janovskis has decided to revisit his past for a limited series of appearances. Janovskis will be performing all of his successful 80's Singles with a crack five piece band including original keyboard wiz, Philip Viggiano. This will be fun!
