

UPDATE

[Click to buy RAFFLE TICKETS](#)

Hi everyone,

As restrictions have continued to ease over the last few weeks the Brighter Days Committee have been working incredibly hard behind the scenes to try and pull a rabbit out of a hat and put on a couple of last minute gigs over this weekend with your favourites Chocolate Starfish, The Screamin' Eagles, Jack Jones and Taylor Henderson. We wanted to provide some entertainment options for those of you still coming up to Bright and raise some much-needed cash for our charities; DEBRA Australia, EB Research Partnership Australia and The Cooper Trewin Memorial SUDC Research Fund.

We had bands and crew on stand-by and Victorian Government COVIDSafe Public Event Framework approval in place, however we're incredibly disappointed to say we were unable to secure the approval from all local stakeholders to proceed.

We'd like to personally thank everyone from the committee and the Bright locals who put in countless hours to try and get this over the line – your effort and your commitment to this cause is outstanding.

So now with just the one card left in our hand for 2021, we ask you to dig deep and support the Brighter Days Foundation by purchasing a ticket in our raffle at <https://events.humanitix.com/2021-brighter-days-raffle>.

Thanks to our sponsors Harley-Davidson Australia, Bayford Ford, Suzuki Australia, Kinchrome Australia, AWP & H-Dtv our prizes are yet again first rate and at this point in time we still have over 1600 tickets left to sell and only a couple of days to do it... We will be selling raffle tickets opposite the Clock Tower (outside the church) all weekend so if you're up in Bright come past and say g'day. The Raffle Draw will be live streamed on Sunday 7 March at 7pm.

Thanks everyone for your ongoing support – we'll be back, bigger and better than ever in 2022 and we hope you will be too.

Cheers,
